

Vosne-Romanée 2019

Vosne-Romanée is a mythical place. This modest village (in size) is home to some of Burgundy's most prestigious Grands Crus...

TASTING NOTES

Adorned with a beautiful ruby color, this wine reveals an expressive nose of small black fruits, violets, as well as notes of black pepper. On the palate, we discover a beautiful finesse, with a slightly structured structure and a very good length.

ORIGIN

The village is located at the heart of the Côte de Nuits, between Vougeot and Nuits-Saint-Georges. The vines grow at an ideal altitude of approximately 250 metres and cover just over 150 ha.

The plot from which this cuvée comes is called "Les Vigneux". It is located in the northern part of the village, in the extension of the valley on a gentle slope and near the Grand Cru Romanée-Saint-Vivant.

VITICULTURE

Grape variety: pinot noir

Soils: limestone and marl scree.

Orientation: East, South-East.

Surface area under vine: 0.2683 ha

Pruning: Guyot system

Yield: 49 hL/ha

The grapes were handpicked. They were sorted a first time in the vineyard and again on the sorting table when they arrived at the winery.

At the winery: the grapes were 50% destemmed but not crushed (they were left whole) and were gravity-fed into tanks. Maceration with 30% of whole bunches lasted a total of 21 days including 3 days of cold maceration (12°C).

Fermentation used indigenous yeasts only (no additives such as enzymes or tannins were used). 4 punchings of the cap. Vinification without sulfur.

AGEING

Barrels: French oak barrels that had been toasted at a very low temperatures for a long time to impart a very subtle and delicate touch of oak to the wine.

BOTTLING

Bottling in March 2021, the wine was very gently filtered before being bottled using gravity.

Number of bottles: 1,777.

VINTAGE

A legendary vintages?

According to Grégory Patriat, this second harvest at the Ursulines winery will go down as a legendary vintage just like 1969, 1979, 1999, 2009, and 2019, because the concentration in the wines is very high indeed. Years with drought and low yields are always great vintages in Burgundy. We had some new premier crus come online last year, with three in Chambolle-Musigny, one in Gevrey-Chambertin, and one in Nuits-Saint-Georges; Le Clos des Argillères. Furthermore, we revived our tradition of producing white wines in villages better known for their reds, with a white Fixin.

Ageing potential: 7 years and more.
